Hi, my name is Cassie Einhorn and this is my "Rat". I am a 14 year-old freshman at John Glenn High School where I am a member of the Rhythm Express Show Choir and compete in JV volleyball and JV basketball.

This is my second year showing my partner Im So Radical in the IQHA Open Show Program. As the year went on, we became a great team, excelling in many new events. I was very excited to win the Open Show All-around Award, IQHA High Point Novice Youth All-around and a Congress Finalist.

We had a very special year and would like to thank Brett Walters for all his guidance and Mom, Dad and my brother Mark for all of their support and sacrifices. I would also like to thank all of the hard working IQHA volunteers and sponsors that give so much to make this such a great program. Keep up the hard work and good luck in 2006!
