## **BRITTANY MONROE & PLEDGE YOUR LUCK ("Lucky")**

### **Reserve High Point Adult Speed Performance**

Hello Everyone!

I'd like to congratulate everyone who placed in the Open Show Program in 2005! I was very pleased with the year my mare, Pledge Your Luck, and I had.

I am starting my senior year of college in the Spring of 2006, and I must say it has been hard to go to school full-time and keep up with a full show schedule. I like to think that Lucky and I have handled it pretty well, though.

This is my fifth year competing in the Open Show Program. It is the best program out there for rewarding horses that compete at all different types of shows in Indiana!

I have enjoyed being a member of IQHA and will continue to be a member for years to come.

Good luck to everyone this upcoming show season!
