It's because of the friends we make along the way that we become Champions!

The Open Show Program has given me the opportunity to meet several members, with words of encouragement and helpful hints along the way, that's given me the confidence to be where we are today.

Thank You Jane, Bev, April, Holly, Denny and Joan; both inside and outside the arena have been memorable. Sincere thanks to Mom and Dad, Camille & Jill, and the staff on 3E at Dukes Memorial Hospital; you've all helped chase my dreams. Heartfelt thanks to Dr. Ciotta, DVM, and Jerry Holmes, my farrier. Care and Comfort Counts! And “The Hut” of Peru. Ponies love munchies!

Thank you again to everyone, and most of all to “Sonny”, my friend, who has made my dreams come true. GOOD LUCK in 2006!
