RONDA CASEY & MOLLY REDBIRD (“Molly”)

High Point Adult Speed Performance

Silver Adult Speed Performance

Molly is a great mare and I had the opportunity to purchase her five years ago. After owning her the first month I wasn't sure I could stay in the middle of her around a can; she has such a unique style. But, we bonded and after 3 months she had placed at some of the larger rodeos and shows

This past year we didn't travel as much, we decided to stay around the ranch and get some work done. The high price of fuel doesn't help too much either. Molly and I were money earners at the Great Lakes NBHA Regionals, The International Barrel Racers National Finals, and were NBHA State Finalist.

I would like to thank my husband Tye for all his support and our family at Athletic Style Ranch for all their hard work when we are gone. Molly, it's great to have an outstanding barrel horse as you!
