

IQHYA Scholarship

The American Quarter Horse Foundation, thanks to the committed support of Indiana's AQHA members, offers a college scholarship to outstanding Indiana students who demonstrate a thirst for knowledge and passion for the American Quarter Horse.

Recipients of the IQHYA Scholarship are awarded a \$1,000 one-year scholarship. Assistance is awarded based on academic merit, equine involvement through IQHYA, leadership, communication skills and financial need of applicants/applications received. Students are required to maintain a 2.5 grade point average and full-time enrollment during funding. Visit www.aqha.com/foundation for a complete list of scholarship requirements.

We have all been privileged to know and love a special person or horse who has helped us realize a dream or inspired us to succeed. These inspirational people and horses deserve recognition, and the American Quarter Horse Foundation Scholarship has the perfect way to do that. Honorariums and memorials provide donors a way to express their appreciation love and respect for a family member, friend, coworker, or other special person and or horse. This is also a thoughtful way to commemorate a special equine award or accomplishment.

When making your gift, please indicate the name of the person you wish to honor and provide a mailing address as appropriate, as well as the program you are supporting (Indiana Quarter Horse Youth Association Scholarship) in a short note or in the memo portion of a check addressed to the American Quarter Horse Foundation (AQHF). We will be honored to send a notification of your generous remembrance to the individual or horse memorialized or honored.

Gifts are tax deductible as allowed by law, and will support the education of Indiana youth members. Every dollar counts!

For more information about how you can support the Indiana Quarter Horse Youth Scholarship, contact the American Quarter Horse Foundation at (806)378-5029 or foundation@aqha.org.

Additional information on the Indiana Scholarship program is available by contacting the Foundation at (806)378-5034 and Sarah Bradley at (765)969-9901 or sarahsambradley@aol.com
