Section 2. Selection of the AQHYA National Finals Team. Points will only be counted at the April 1 through the Indiana Quarter Horse Association State Show of each year. Points will be awarded on the basis of one (1) point for each horse defeated plus one (1) point for the exhibitor through eight (8) places. A maximum of twenty (20) points will be awarded in each class at each show. Showmanship, Horsemanship, and Western Pleasure qualifying classes will be added to Indiana shows that are willing to participate by adding the above three classes. These classes will be all age and run separately from the AQHA approved classes, but will follow all AQHA rules. However, one may only participate in the qualifying class if one participates in their respected AQHA class. The top seven (7) shows will be the only shows to count toward making the AQHYA National Finals Team for all youth AQHYA National Finals Team classes. If a tie does occur, Judge A of the second circuit of classes of the Indiana State Show will be the official tie breaker. There is a requirement of participation in a minimum of three (3) shows and accumulation of at least three (3) points during the qualifying period. Membership on the AQHYA National Finals Team shall be exclusive to IQHYA members residing in Indiana.
